Thanks to the Lottery Corp. Gaming Grant for Multiculturalism; the Boundary Museum’s Doukhobor/Sinixt Reconciliation Exhibit/Project, based on the unveiling of a Granite Stone Plaque in 2009, in Brilliant BC, between Doukhobor and Sinixt descendents, JJ Verigin and Lawney Reyes, with the research of Myler Wilkinson, and the support of Marilyn James, and the endeavours of the Doukhobors, including JJ Verigin, a moment of History revealed itself. The Reconciliation continues.
